## DON'T GET THE FACTS TWISTED

## ABOUT WHEN TO GET YOUR MAMMOGRAM!

[dontgetthefactstwisted.com](http://dontgetthefactstwisted.com)

40 is still the age to start having your annual mammograms, which follows the American Cancer Society's recommendation.

Free mammograms are being offered to women who are 40 years or older and uninsured.

Mammograms are limited to the first 50 women who schedule per day listed.
